

Durham Police and Crime Commissioner's Challenge

What is the PCC challenge?

The aim of the PCC challenge is to allow young people and schools to give a little extra to help your local area become even more safer, stronger and more resilient to crime and anti-social behaviour.

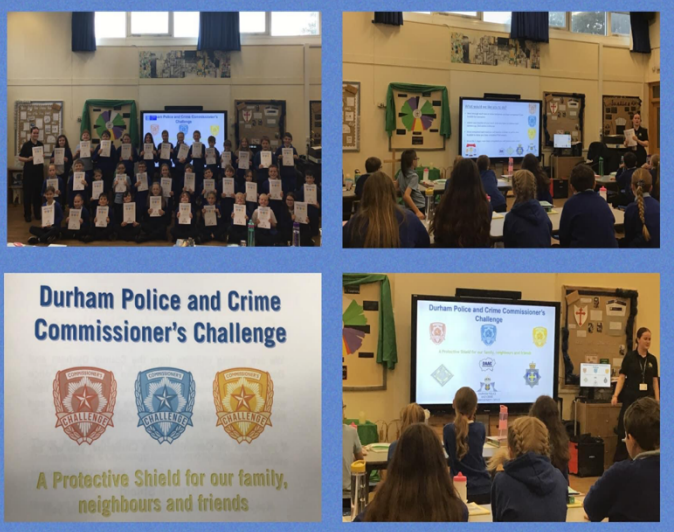

The PCC challenge booklet consists of 3 stages:

Stage one: **Bronze** – this section focusses on keeping family, friends and neighbours safe.

Stage two: **Silver** – this section focusses on keeping the streets safe.

Stage three: **Gold** – this section focusses on keeping ourselves safe.
