5. MONITORING INFORMATION

Durham Police is fully committed to working towards being an equal opportunities employer and is determined to ensure that no applicant or employee receives less favourable treatment on the grounds of gender, marital status, civil partnership, colour, race, nationality, ethnic or national origins, disability, transgender, sexual orientation, relation or age.

We also seek to ensure that employees are not subject to any form of harassment.

Discrimination is not always intentional or overt, therefore the Diversity Policy and Procedures of the force will be constantly monitored to ensure that equality of opportunity is properly observed and where barriers are identified, any necessary changes will be made.

To implement and monitor the effectiveness of its Diversity Policy, Durham Police, in accordance with the Codes of Practice issued by the Commission for Racial Equality, the Equal Opportunities Commission and the Disability Rights Commission, records the ethnic origin, sex and disability status of people who apply for appointment. We would therefore be grateful if you would complete the below.
